# ALPENA COUNTY APPOINTMENTS

## BOARDS, COMMISSIONS, AND COMMITTEES

### Meetings Dates/Times, Appointment Information and Synopses

The **Alpena County Library Board of Trustees** meets the third Wednesday of each month at 4 p.m. at the George N. Fletcher Public Library, 211 N. 1<sup>st</sup> Ave in Alpena. This is a five-member Commission appointed by the County Commissioners. Members of this Board shall be appointed to 5-year terms. This Board's mission is to provide library and information services that meet the needs of a diverse community. In order to accomplish this effectively, materials and programs for all ages, ethnic and racial groups, and political, ethical and social perspectives need to be considered. Their goal is to keep pace with changing technology, network with other library and non-library resources and accomplish all this with an organization that is responsive to our goal. Responsibilities of the Trustees include determining the mission of the library, setting the policy that governs the library, hiring and evaluating the library director and overseeing the general management of the library. According to Article 1, section 2 of the Revised April 2019 By-Laws, if a Board Member misses three (3) consecutive Board meetings, the Board shall request a letter from said Board Member as to his/her intentions of remaining on the Board. If no letter is received by the next meeting, the Board shall assume a vacancy has occurred and shall contact the County Board of Commissioners for the appointment of a replacement.

The **Northeast Michigan Community Mental Health Authority Board** meets the second Thursday of each month at 3:00 pm in the Board's Offices, 400 Johnson Street in Alpena. On July 24, 1998, the Alpena County Board of County Commissioners adopted a resolution creating the Northeast Michigan Community Mental Health Authority Board, a multi-county authority including Alcona, Alpena, Montmorency and Presque Isle Counties. Alpena County Commissioners appoint five members to this Board. Members of this Board shall be appointed to 3-year terms. Its mission is to provide comprehensive services and support that enable people to live and work independently. The job of the board is to represent the people in determining and ensuring appropriate organizational performance. To distinguish the board's own unique job from the jobs of its staff, the board will concentrate its efforts on the following job "products" or outputs:

1. The link between the organization and the people of Alpena, Alcona, Montmorency and Presque Isle counties.
2. Written governing policies which, at the broadest levels address:
  - a) Ends: Organizational products, impacts, benefits, outcomes, recipients, and the relative worth of these Ends or products (what good for which needs at what cost).
  - b) Executive Limitations: Constraints on executive authority which establish the prudence and ethics boundaries within which all executive activity and decisions must take place.
  - c) Governance Process: Specification of how the board conceives, carries out and monitors its own task.
  - d) Board-CEO Relationship: How power is delegated, and its proper use monitored; the CEO role authority and accountability.
1. The assurance of CEO performance (as outlined in policy number 03-004 page 1 of 1, Monitoring Executive Performance 2A and 2B).

2. Maintain regular communication with the County Board of Commissioners in Alcona, Alpena, Montmorency and Presque Isle counties through regular reports with a copy maintained by the CEO.
3. Actively promote involvement of consumers, former consumers, family members and advocacy groups in planning, implementing and evaluating mental health services.
4. Actively participate in the planning of health and social services within its service area by involvement with local and regional health service agencies, school districts and pertinent members and groups of the community through regional coordinating councils and multi-purpose collaborative bodies.

The **Alpena County Road Commission Board** holds its regular meetings on the first Tuesday of each month at 3:00 p.m. at the offices of the Alpena County Road Commission, 1400 North Bagley Street in Alpena. Members of this Commission shall be appointed to 6-year terms. The Road Commission is responsible for the construction and maintenance of county roads and bridges, and the administration of funds allocated from gas and weights taxes. Its mission is to enhance the social and economic quality of life of our community by providing and maintaining, consistent with the financial resources available to the Commission, a safe and efficient system of county roads and streets for the citizens of Alpena County; and to continuously strive to improve the quality of the service we deliver. Commissioners' duties include building relationships in the community, ensuring a fiscally healthy budget, prioritizing projects and future strategic planning, authorizing major purchases, acting on bids and awarding contracts. Those applying to the Road Commission are encouraged to review the handbook for county road commissioners at [micountyroads.org/Commissioners-Handbook](http://micountyroads.org/Commissioners-Handbook). Alpena County expects year-round attendance by all road commissioners at all meetings.

The individual appointed to the Alpena County Road Commission Board is also a member of the Alpena County Parks Commission by statute.
